PRAYER

INTRODUCTION

When Jesus was on earth he often told stories to help explain his teaching. These stories are called parables.

Today we are going to look at another one of the parables Jesus told.

This week the parable is about a lost sheep...

What do you do when you lose something?

What if it is something really special?

How do you feel?

If we lose something that is really important we will search and search until we find it. As we will see in our story ... this is what God does too.

BIBLE REFERENCE

Luke 15:3-7

LESSON OBJECTIVES

1. We are like sheep and sometimes we wander from the path that God wants for us
2. God loves us and doesn't give up on us.. he keeps searching and calling us.

MEMORY VERSE

Luke 19:10

For the Son of Man **came to seek and to save the lost.**

QUIZ

1. Jesus told the story about a shepherd. How many sheep did he have? (100)
2. When he counted them what did he realise ? (one was lost)
3. Did he go and look for his sheep? (yes)
4. When he found it what did he do? (carried it home and had a celebration)

THINK

God is like the shepherd in the story. He loves all of us just like the shepherd loved his sheep. If we do things that are wrong or don't follow Jesus we are like the lost sheep. The good news is that Jesus comes and finds us and when we are brought home God is so happy.
