PRAYER

Dear God, thank you for the lovely world you have given us.

Thank you for the many creatures and animals...

the tiny ants, the giant elephants

the slow snails, the fast cheetahs,

the quiet butterflies, the chirpy birds,

the slimy worms, the dry scaly lizards,

the feathery birds, the furry bears,

but especially God, thank you for making me, me!

Thank you for making me just the way I am!

Please bless my friends and their families from Beginners Church (name them- check previous WhatsApp communication for their names.)

Please take great care of our friends, the special people in our families and our favourite animals.

(Give kids time to name their special people and creatures.

They can say their own prayers or can ask you to pray for things they request).

Thank you God that you made us all.

Amen.

BIBLE LESSON & REFERENCES

Acts 9 v 1-19

LESSON OUTLINE

Saul meets Jesus on the road to Damascus. Saul's heart and his whole life are both completely changed.

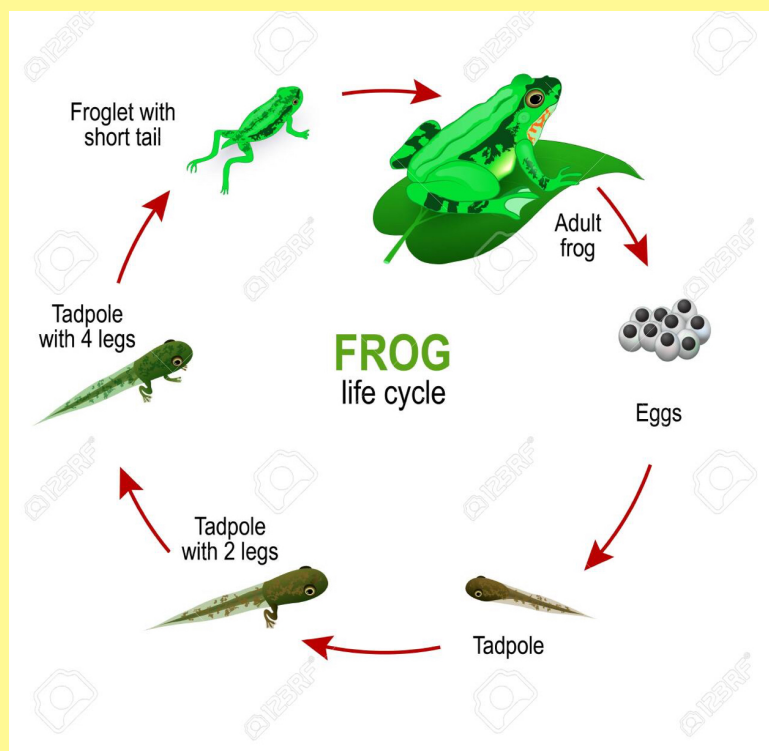

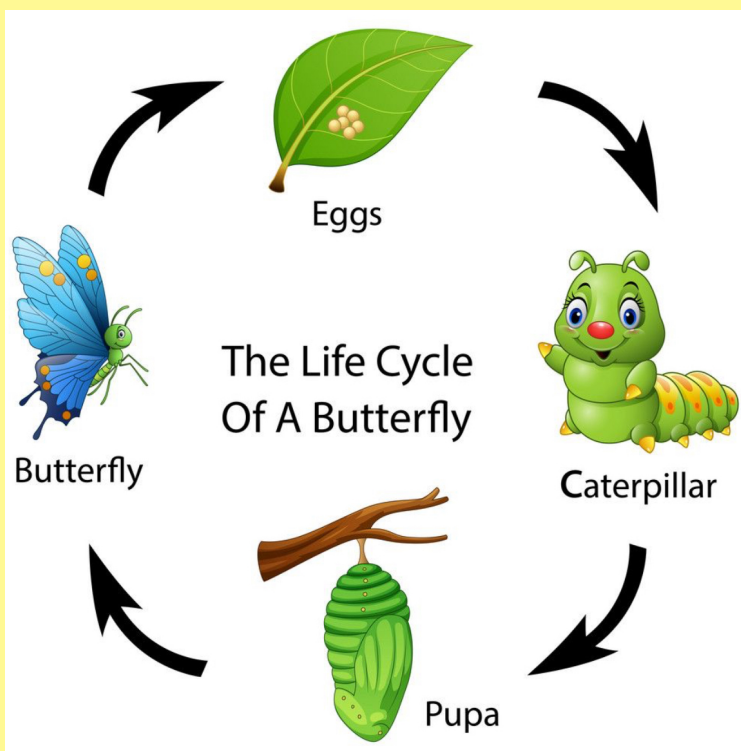

LESSON OBJECTIVES

1. Jesus wants us to follow him and be his friend
2. Jesus' amazing love can change the life and heart of anyone
3. Jesus wants us to tell others about him

INTRODUCTION

Talk about things which can change...

e.g. a slice of bread into toast, a chameleon changing colour, a caterpillar into a butterfly, a tadpole into a frog, a seed into a plant, a baby growing up etc

Today we are going to find out about a man called Saul who was completely changed when he met Jesus. He changed his name but he even became a different type of person, after Jesus spoke to him.
