PRAYER

Dear God, thank you for the world you have given us. Thank you that we have been able to see many places, because of the machines we have.

Thank you for our cars, trains and planes. Thank you for keeping me healthy so that I have been able to visit many places. God, during these difficult times, keep people who need to travel, safe. Please protect them. Please take special care of everyone still having to make essential journeys.

Please bless my friends and their families from Beginners Church (Name them- check previous WhatsApp communication for everyone's name).

(Give kids time to name any people they know who still have to work or go out during these times. They can say their own prayers or can ask you to pray for things they request).

Thank you God that you made us all.
Amen

LESSON OUTLINE

Today's lesson is later on in the book of Acts when we learn about Paul's journeys, telling people about Jesus. When he returned to Jerusalem some people were upset by his teaching so he was arrested. He wrote many letters which are in the Bible.

LESSON OBJECTIVES

1. God wants us to listen to Him and do as he asks us.
2. It is important to spread the Word of God to everyone.

INTRODUCTION

Talk about travelling, holidays you might have been on and different ways you have travelled such as train, car, plane and boat.
