INTRODUCTION

What kind of weather are we having today? What is your favourite kind of weather?

Do you like going to the beach on a sunny day? What do you like to do there? Do you like building sandcastles? What happens if you build your sandcastle too close to the sea?

In today's story we will be finding out about a time when Jesus climbed up a mountain. He taught his disciples, who were with him, a lot of things. Lots of other people had followed Jesus too and they were able to hear what Jesus was preaching. One parable/story he told them was about 2 builders. One of the builders built his house on strong rock. The other builder built his house on the sand.
