When I was a child, I remember hearing this story and wondering why Jesus compared himself to something that I ate for lunch. John 6:35 says, "I am the bread of life; whoever comes to me shall not hunger, and whoever believes in me shall never thirst." Jesus is telling us that he is the "bread of life" because when we believe in Him, we have eternal life. Bread is considered a staple food and something that we eat to fight our hunger. But after a while we get hungry again and go searching for something else. With Jesus as the "bread of life", we will never grow hungry if we believe in Him. Jesus keeps us going and we have a life in heaven because of His sacrifice for us.
