

# Praying ACTS

Every week for four weeks, Kids Church are going to learn about prayer by using the word ACTS!

Memorise: Give to the Lord the glory due His name; Bring an offering, and come before Him. Oh, worship the Lord in the beauty of holiness! 1 Chronicles 16:29

CHALLENGE

When you pray, begin with adoration. What are you going to focus on? I'm going to choose how caring He is!

## ADORATION

Adoration means that you love, respect and adore something or someone.

Whenever we pray it's good to begin by telling God what you adore about Him because it focuses you on your prayer and reminds you who you are talking to.

If you're not sure where to start or how to adore God, start by reading this week's bible story and adore the sacrifices made for us to have a relationship with God!

CRAFT

Create your own poster to remind you to adore God!
